

SkillSync – Phase 7: Integration & External Access

Project Title: SkillSync- Knowledge and Expertise Management

Phase 7: Integration & External Access

Date: 25 September 2025

Prepared By: SHARANYA LAKSHMI S N

Overview:

In this project, I have primarily focused on Salesforce internal functionality. While integration features like Named Credentials, External Services, Web Services (REST/SOAP), and Callouts are available in Salesforce, they were not required for this standalone Knowledge and Expertise Management.
